NAME: _____

CLASS: _____

STN#: _____

Instructions for summer vacation Homework 2024

1. This booklet contains summer vacation homework for 2024.
2. Vacation homework is designed to keep the children usefully engaged connecting the book knowledge with practical life.
3. The work is designed under the following formats:
 - a) Thematic work
 - b) Integrated work
 - c) Projects
4. Parents are requested to support, guide and provide inexpensive material required to complete the work.
5. The work given is to develop skills, innovation and creativity, the work done by anybody except the students will not be checked.
6. Parents are requested to help their children learn life skills and promote holistic growth.
7. Instructions are provided for both children and parents to guide and support the completion of activities.
8. Vacation work is divided into 5 weeks, kindly follow the sequence and avoid doing all the work within a short period.
9. Students are expected to be engaged for about 50 hours to complete the entire vacation homework.
10. The homework includes activities that suggest visiting parks, zoos, and other educational and recreational locations.
11. We hope this exercise will help children and parents to spend some quantity time together, which they miss during the school days and turn the learning into a joyful experience.
12. Please avoid using expensive materials.
13. Students Learning Outcomes (SLOs) are mentioned before each activity where necessary.
14. Submit the completed homework on August 6th, 7th, and 8th, 2024.
15. Please obtain a receipt from the teacher after submitting the homework.

Happy Holidays
